New Member - Jennifer Bowler

Jennifer Bowler is a National Account Coordinator for Oakwood Worldwide®. During her 20 years with the company, she's worn many hats. Starting off as a fresh face having just graduated from the University of Florida. She helped the local team gear up for the 1996 Olympics, coordinating the apartment furnishings and utilities for dozens of athletes and their families. Having a knack for negotiation and a drive to sell, she moved to an inside sales role, then on to outside sales handling government and military moves. Finally transitioning into a role that would be the perfect fit for years to come as a National Account Coordinator. In this role, Jennifer is the "go-to" for a select few of Oakwood's top clients. Managing day to day furnished housing needs along with RFP's and service recovery for stays through the world. Jennifer has a reputation within the industry for being honest, smart and hard-working. Her attention to detail, compassion, and positive attitude is just what's needed for busy relocation coordinators, C-level travelers, and families making housing decisions.

As an Army brat having moved every 3 to 4 years growing up, Jennifer values the 25-years she's been able to plant roots in the Atlanta Metro Area. Dunwoody holds a soft place in her heart having started off her family here, with both of her two boys being delivered at Northside Hospital).

Jennifer enjoys being active in the community, having served as a football league co-president, an armorer for her son's fencing team, and many other volunteer jobs within her church and local groups. She shares her Thursday nights with her "small group" / bible study. And, after a hard week trapped in front of a computer, you'll find Jennifer out on the river kayaking, with friends listening to her favorite musician, or out on a hike enjoying nature.

Please introduce yourself to Jennifer and welcome her to the club.

Que for Good - A Dunwoody Signature Event

On Monday night, July 9, four club members and one spouse presented to the Dunwoody City Council our application for the Dunwoody BBQ and Community Festival to be recognized as a Signature event for the City. After an interesting debate the vote was in our favor 6-1. This is great news! This recognition provides us with some city services at favorable pricing, puts us on the city calendar with promotion and, most importantly, gives us the official credibility we need to begin this long term venture. This action strengthens the relationship between the Rotary Club of Dunwoody and the

City of Dunwoody. The success of the BBQ will be a shared one. A special thanks to Past President **Rick Otness** for leading this charge and to **Jack Sparks** as well as **Baku&Hoshi Daruwalla** for their strong contributions.
